

MEMORY MAKERS

Hello Memory Makers,

Let us melt away those winter time blues with some travel adventures that will sweep you off your feet. As we begin another year, I begin to wonder where we should wander in 2024. This past fall was a challenging time here in the Scego household. Bill had some complications after carotid artery surgery affected his speech and his ability to swallow. I am happy to report he has made a full recovery after months of speech therapy, so we are anxious to begin traveling with each of you again.

A note from Bill. "I wanted to say thank you to the Memory Makers members for their cards, messages, and prayers during my illness. It was very much appreciated, and I am looking forward to joining you on our Memory Makers' trips this year!"

We begin this New Year encouraging each of you to "Travel as much as you can, as far as you can and as long as you can." Travel fun awaits. Let's get out there and make some memories.

With love,

Kathy
