The mascot checking account at The Maries County Bank continues to grow in popularity with customers of all ages. The May distribution of \$ 8,675.00 will bring the 2014-2015 school year's total to \$ 25,299.00.

"We are proud that our customers continue to support our schools by choosing MCB and our Mascot Checking account", said Clay Vogt, President and CEO. Since the program began in 2009, we have donated over \$ 115,000.00 in support of our students. The funds support extracurricular activities at public schools in Vienna, Belle, Westphalia, Dixon, Owensville, St. James with additional schools of Iberia, Laquey, Richland and Stoutland. This is an account we hope our customers take great pride in.

On behalf of the account holders, The Maries County Bank donates one dollar each month for each account to the support of extracurricular activities. The donation amount is directly related to the number of Mascot Checking accounts. There is no charge for the account and it comes with a free Mascot debit card, Online Banking and BillPay, eStatements, and a Mascot t-shirt.

The Maries County Bank has branches in Vienna, Argyle, Belle, Dixon, Owensville, Vichy and St. James, Iberia, St. Robert, and Richland. It is an FDIC Insured institution with a history reaching back over 110 years.
