PayPro

a reverse positive pay product

STOP CHECK FRAUD WITH PAYPRO

PayPro helps your business catch fake or wrong checks **before** its too late. This feature shows you checks that don't match your records and lets you choose to **PAY** or **RETURN** each one helping prevent fraud and money loss.

Peace ♡ of Mind!

HOW TO USE IT

1. In Banno Business Online, **Go** to Payments > Work Exceptions
2. **Review** issued items daily
3. If the check is legitimate and all information is correct, **choose Submit.** If the check is fraudulent and any information is incorrect, **choose Return.** The check will be returned providing you peace of mind.
4. **Submit** your choices *before* the daily cut-off time
5. **Once done**, you will see "Check Exceptions Submitted."

and just like that,
FRAUD IS STOPPED **BEFORE** IT HAPPENS

TIMING MATTERS!
Checks *must* be reviewed *daily* between **3:00 a.m. and 11:00 a.m.**
Unreviewed checks will automatically be paid once the review window closes.
